Budget_Workshops](http://www.iowaschoolfinance.com/Budget_Workshops)**

Join us for these hands-on workshops for superintendents & SBOs to learn about and complete their individual budgets and projections. Attendees will also learn about debt service, investment opportunities, and other variables that affect district finances. Participants also can request ISFIS prepare a customized presentation to later share with your board!

Thanks to Piper Jaffray & Miles Capital for their support of these workshops!
