COMPREHENSIVE FINANCIAL PROJECTION MODEL

The CFPM provides a five-year future projection of your district's data such as property tax rates, unspent authorized budget, solvency ratio, detailed aid & levy worksheets, and much more.

ISFIS & Piper Sandler offer two options of the CFPM, a do-it-yourself BASIC MODEL, or a do-it-for-me PRO MODEL.

CFPM BASIC MODEL

The CFPM Basic Model is available to download complimentary for ISFIS and Piper Sandler customers.

A checklist and instructions are posted on the ISFIS website, and workshops are offered each fall to assist with setting up the CFPM Basic Model on your own.

CFPM PRO MODEL - \$2,000 for FY25

Includes setup of your CFPM by ISFIS or Piper Sandler staff.

Enhanced scenario planning options and assistance.

One-on-one discussion around your district's assumptions in the CFPM.

Virtual presentation of your CFPM projections, upon request.
